Your application number 3637874

Dear Rashedul Islam,

With your application you chose one - or more than one - university that requires all its international applicants to have their applications pre-checked by uni-assist. We now completed our evaluation and would like to inform you accordingly:

HAW Kiel

Master (FH) - Battery Technologies

We regret to inform you that your application could not be forwarded to the university you applied to.

Reason(s):

Unfortunately your application is incomplete.

The following documents were not submitted:

- GRE with at least 64% minimum percentile in quantitative reasoning

These documents can still be submitted until the application deadline. Please enquire at the university about the relevant deadlines.

uni-assist has carried out the pre-check of your documents with the greatest care and accuracy. Should you however feel that we have made a mistake in our pre-check, please write to us. State the reasons for your complaint and please include your application number. uni-assist's management will look into your complaint and get back to you in writing. If you still disagree with this response, we will forward your application to the respective university. The university will then issue you a decision vested with legal capacity.

Sincerely,
Your uni-assist-team
